# THE STORY OF US

## A VERY GOOD COCKTAIL BAR INSPIRED BY A VERY GOOD BARTENDER

*He was a 'bar keeper'- nothing more, nothing less of, the principal hotels in Alexandria for forty or fifty years. He knew everybody and everybody knew him. He had really a good memory for names and faces.*

*"Frank Hall was a 'bar keeper' of the old school- and therefore I liked him. He had no 'office'- he stood behind the counter at the bar...*

*"Hall was very amiable, courteous to all, and especially kind to young people. Hence he was a great favorite.*
